

Women-Owned International Insurance Brokerage opened in Austin, Texas

HM Risk Group, LLC is a woman-owned independent insurance brokerage, specializing in aviation, real estate development, energy, fine arts, and musical instruments domestically and in the Middle East set to open in Austin, Texas .

Austin, Texas July 11, 2008 – HM Risk Group, LLC is a woman-owned global, independent insurance brokerage, risk management and consulting firm specializing in aviation, real estate development, energy, fine arts, and musical instruments domestically and in the Middle East. HM Risk Group is led by Ashley M. Hunter, President.

HM Risk Group, LLC will be a full-service independent insurance firm providing dedicated brokerage, risk management and consulting services to commercial clients on a global basis, with executive offices in Austin, Texas. HM Risk Group, LLC intends to be licensed in all fifty states.

Ms. Hunter stated that “In recent years, many risk managers and corporate clients have taken a more active approach to insurance and understanding their company’s risk management needs also they are no longer interested in taking a back seat approach to insurance or risk management and desire to work with a firm that can provide a one-stop shop.”

The launch of HM Risk Group, LLC introduces a fresh business model for the insurance brokerage industry, an industry which has been plagued by numerous regulatory investigations. HM Risk Group, LLC will focus exclusively on the business of assessing risk and securing competitive insurance programs for commercial clients who have large and/or complex risks with specialized insurance needs.

HM Risk Group, LLC will offer commercial clients a choice for obtaining insurance solutions, free from conflict of interest perceptions. Clients come first, with dedicated attention to the smallest detail are guiding principals HM Risk Group.

Ashley M. Hunter is committed to attracting seasoned, expert insurance brokers who will benefit from the opportunities unique to a business start-up, unburdened by traditional processes and technology. HM Risk Group, LLC is also committed to the idea that professional service firms work best, when they are free-standing,

responsible directly to clients. Ms. Hunter said, "We think the world of insurance brokering is done best, when the client is not looked upon as only an account, but part of the business family. We want to treat every client as we would our own family - with honesty!"
